

No.RRC-ER/CEN RRC 01/2019/PET/2023. (143)

Dated, 28.01.2023.

Notice Regarding PET – RRC CEN 01/2019 – disputes.

Regarding change of candidature :

RRC-ER has received some appeals regarding wrong entry of candidature related to gender in their online application at the time of online registration of RRC CEN 01/2019. Though a window was provided by RRB for rectification of candidature details except email id and mobile number from 12.04.2019 to 26.04.2019, these candidates have not opted for the said opportunity by paying modification fee, but have approached RRC-ER post appearing in CBT for their change of Gender – “from Male to Female” of “from Female to Male”.

As standard of PET for Male is different from Female in weight carriage in 100 meters and timing in 1000 meters, it has been decided by competent authority to allow only such candidates for participating in PET, who report with a letter of apology seeking permission along with self attested copies of valid documents as Aadhaar Card and Voter ID, wherein there is mention of gender. They should only be allowed at their scheduled PET venue and most importantly, within the PET schedule of RRC-ER.

PET SCHEDULE:

For Malda and Asansol – from 30.01.2023 to 06.02.2023.

For Liluah under jurisdiction of Sealdah – from 30.01.2023 to 08.2.20123.
